

UNSW

THE UNIVERSITY OF NEW SOUTH WALES

Safe Work Australia Week 22 – 26 October 2007

UNSW will participate in Safe Work Australia Week for the first time in 2007. With over 6,000 staff and almost 40,000 students, safety is everybody's business.

There will be a range of events and activities organised throughout the week including seminars, workshops, walks & meditation classes as well as chances to WIN!

Find out how you can **DE-CLUTTER** your workplace, **DE-STRESS** both physically and mentally, **DE-FUSE** a potential crisis & **DE-LIGHT** in life.

Some activities require registration, so to download a schedule of events and to find out how you can get involved visit the OHS & Workers Compensation Website:
