Acknowledgement

I request that UNSW Sport & Recreation membership or program instalments as stated on this form be included in my salary package and that the fees be deducted from my fortnightly gross salary accordingly. I have read and understood the University's Salary Sacrificing Scheme and agree to abide by the provisions contained therein, which may be varied from time to time. I acknowledge that:

1. The University has advised me that I should seek independent financial advice before proceeding with any salary sacrificing arrangements.
2. I will notify Human Resources immediately of any leave without pay or my resignation from the University so that arrangements can be made to stop salary sacrifice payments.
3. I will need to make separate arrangements either to make payments or to pay the balance of my fees directly to UNSW Sport & Recreation in the event of my resignation from the University or if a period of leave without pay is authorised.

UNSW Sport & Recreation weights, fitness and pool membership, and program instalments will each be shown as separate deductions on your payslip.
